\$1,520 Settlement Reached with Enviro-Guard

Los Angeles --- The California Department of Toxic Substances Control (DTSC) today announced it has reached a settlement with Enviro-Guard for a hazardous waste violation at its facility located at 2348 Cebu Court in Placentia, Orange County.

Under terms of the Consent Order (Order), signed in September 2004, Enviro-Guard will pay a total of \$1,520, of which \$820 is an administrative penalty and \$700 is reimbursement of costs incurred by DTSC. A copy of the Order formalizing the settlement is available on the DTSC website at http://www.dtsc.ca.gov/HazardousWaste/Enviro_Guard/Enviro-Guard_ENF_CO.pdf.

The settlement stems from a violation observed by DTSC inspectors during an inspection at the facility on February 17, 2004. Enviro-Guard, a registered hazardous waste hauler, was cited for holding hazardous wastes at its transfer facility for longer than 10 days without an authorization from DTSC.

Enviro-Guard has since corrected the violation found during the inspection.
